Athens,  
Greece.

Dear Shipmates:

On behalf of the Commandant of the United States Coast Guard, I am very pleased to extend my personal congratulations to your organization for its invaluable support of the Amver System in 2020. It is my honor to enclose award certificates for your ships. Your vessels contributed to another record breaking year at Amver and we are thankful for your active participation as we celebrate 63 years of saving lives at sea. The previous year has been one like no other. You, the seafarer, have earned this recognition for ensuring goods were delivered to a world that needed them.

Ships from your company joined those from hundreds of nations in providing a worldwide safety network to assist search and rescue coordinators in responding to emergencies at sea. 7,750 vessels achieved at least 128 days on-plot contributing to 45 lives saved in 2020. Whether your ship is a new participant or has been active for many years you should take pride in the voluntary commitment of your officers and crews to the safety of life at sea.

Thank you again, and may I wish your crews fair winds and following seas!

Sincerely,

BENJAMIN M. STRONG  
Director, Amver Maritime Relations  
U.S. Coast Guard
